Updated the SIG/Chapter Website within the past calendar year. Yes

Comments

1. We initiated a Mentoring program that saw a very strong response in terms of participation.
2. We were able to continue our tradition of hosting the ICIS Breakfast. This is in addition to the receptions at AMCIS and ECIS.
3. Our sponsors continue to support us, which is a great sign of their belief in our mission.

This report was easy to complete

Strongly Agree

I was able to complete this report in a reasonable amount of time

Additional comments about the new form.

It would be great if we can have a 'Save' button to pause the reporting

Is an updated online community platform something your Community (SIG, Chapter, College) would be interested in using?

Yes

Why or why not?

To promote inter-SIG/inter group communications better and reduce cross listing of events

What features would you want in an online community platform? (check all that apply)

- Connected to AIS website profile
- Single Sign On with AIS website profile
- Access for non-members
- An updated microsite (website) for my group
- Group Directory
- Library/Document Sharing
- Wikis
- Blog
- Discussion Forums
- Discussion forum digests (daily or weekly emails)
- Group Calendar
- Mobile friendly (phone, tablet, etc)
- Group Email (easily send email to all group members)
- Social media integration
- Roster reports
- Event registration

Please list any additional features you would like here. Chat Bot
